CCH SureTax  
for Acumatica  
Construction  
Edition Goes  
Beyond Sales  
Tax Basics

**Construction has a special set of sales tax challenges. That's why you need CCH SureTax with Acumatica Construction Edition.**

CCH SureTax goes beyond the basics, providing sales and use tax coverage for construction projects across over 13,000 taxing jurisdictions in the U.S. and Canada.

Few industries are as heavily audited as construction. CCH SureTax continuously prepares you for audits by tracking and maintaining the detail for defense of each tax calculation, saving you from non-compliance expense and disruption.

CCH SureTax helps to keep you productive with an end-to-end solution that seamlessly calculates tax, tracks exemption certificates, and manages your filings while providing the information and alerts that you need to control your sales processes.

When combined with Acumatica Construction Edition, CCH SureTax can help you estimate and manage your construction projects — including sales tax obligations — anytime, anywhere. Easily manage customers, finances — including job cost accounting — field and service teams in one complete solution that keeps you profitable and productive.

## *CCH SureTax provides everything you need from calculation to returns.*

### Best in Class

#### SOC 1 Certification

Wolters Kluwer has successfully undergone a Service Organization Control (SOC 1) Type 1 examination for the collection, analysis, and management of sales tax rates and taxability rules. The result: Wolters Kluwer maintains internal controls to provide customers and users accurate, timely, and reliable sales tax rates and taxability rules. This is in addition to SOC review and security standards for our data centers.
