celigo

Shopify – Acumatica
Quickstart Bundle

shopify ⇆ Acumatica

Streamline eCommerce operations with prebuilt Shopify – Acumatica integration

Order Management

View and manage orders in Acumatica as soon as shoppers check out on the storefront, POS, or social channel

Shipping & Fulfillment

Leverage advanced fulfillment logistics; pick/pack/ship and send real-time shipping information to customers

Inventory Levels

Synchronize stock levels between Acumatica and Shopify to minimize under/overselling products

Products & Variations

Centrally manage product catalog in Acumatica and automatically publish product listings to Shopify

Payment & Invoicing

Support multiple payment capture scenarios – including payment at time of sale or after fulfillment

Cancellations & Refunds

Manage cancellations and refunds within Acumatica and make statuses available in Shopify

Key Benefits

- ✓ **Optimize buying experience** with timely fulfillment, accurate product availability, and real-time order statuses
- ✓ **Achieve fast time-to-value** with prebuilt, out-of-the-box integration that does not require IT support
- ✓ **Efficiently scale operations** by automating processes that rely on Acumatica and Shopify platforms
- ✓ **Minimize ongoing costs** with continuous upgrades, maintenance, and support provided by the experts at Celigo

Prebuilt, full-featured integration for Shopify and Acumatica

Integrate your Shopify stores with Acumatica for timely order fulfillment, accurate product availability, and real-time visibility into order statuses. Celigo's Shopify – Acumatica Integration App is a prebuilt integration that can be easily configured and deployed without additional development or IT support.
